AFFIDAVIT OF RAY MITHOFF

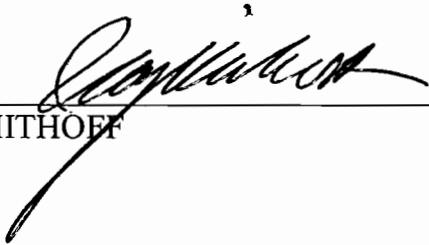

I, Ray Mithoff, being duly sworn, hereby depose and say:

1. I am over the age of eighteen, and I have personal knowledge of the following facts. If called as a witness I could competently testify thereto.
2. I have held the position of Senior Case Supervisor International for the Church of Scientology International for the better part of 20 years.
3. I have been a member of the Sea Organization religious order since 1971.

H

4. During my tenure in the Sea Org, I have at times held the rank of captain. While there are and always have been several people who hold the rank of captain in the Sea Org, there is no such position as "The Captain of the Sea Org," nor has there ever been. Mr. David Miscavige, Chairman of the Board of Religious Technology Center, also holds the rank of captain. Staff and public Scientologists alike refer to Mr. Miscavige as Chairman of the Board, RTC.

5. Above the rank of Captain in the Sea Org is the Commodore. There has only ever been one Commodore in the Sea Organization, L. Ron Hubbard, and that will never change.
